Regarding End Sem Examination (Winter Semester 2020) of Final Year Students

Due to the unprecedented lockdown in view of COVID-2019 pandemic, the academic activities at the University were either suspended or completed online. The End-semester examination has also been delayed due to the same reason.

In this context, with reference to UGC and MHRD guidelines, in the Deans' meeting held on 09th June 2020 chaired by the Hon'ble Vice Chancellor, it has been decided that the offline examination for final year (passing out) students will be conducted from 2nd Week of August, 2020 onwards depending upon the pandemic situation at that time.

In the meantime, students are requested to stay home and safe, continue with their studies and advised not to travel to the University at this time. We will inform about the progress from time to time. Please keep visiting the University website for updates relevant to you. The dates of End-Semester Examination and schedule will be communicated to the students well in advance, so that they can be able to arrange their travel to the university campus timely.

Looking forward for your kind cooperation.
