**Sub: Regarding semester registration and intimating the students about the courses being offered in the current (Monsoon-2020) semester for programme at your school/centre.**

Dear Madam/Sir,

Greetings from COE office!

This is to bring to your kind attention that the registration process for the Monsoon semester 2020 will commence from 1<sup>st</sup> August 2020. The semester registration and folio forms are being offered to the students completely online through our SI&EPMS Portal. All the students who are being promoted to odd semesters are required to complete the folio forms by choosing the core and optional courses through a dropdown menu.

In this regard you are requested to provide the information to your students of respective programmes regarding the optional courses being offered including the details namely course title, course code, credits etc. in the current (Monsoon -2020) semester. This will help the students complete the online folio registration easily and in error-free manner.

Your cooperation is solicited in helping the students complete the registration process timely.

Thanking you.
