- vi. That a 'Plantation master Plan" for the whole campus, involving experts in landscaping, horticulture, forestry etc., is prepared to plant maximum number of trees and plants, wherever possible, e.g. along boundary walls/roads/tracks, in empty spaces which are not to be used for any other purpose.
- vii. That the green building concept is adopted so that the proposed buildings are less power consuming. Use of solar energy should be promoted.
- viii. The Planning should include rain water harvesting and waste water recycling.
- ix. That no wasteful expenditure is incurred on any component.

The University Building Committee of CUG may, after thorough examination, properly prioritize and recommend the specific projects to be started along with their cost and quarterly/yearly requirement of funds till completion.

After University Building Committee's recommendation, the university may place the proposal for these specific building projects before Finance Committee for its approval. After FC's approval, the university may place the same before Executive Council for its approval. These proposals then may be forwarded to UGC for examination by its Standing Committee and for funding. One or more members of the UGC Standing Committee may make site visits for on-site inspection of the projects before sanctioning funds.

The concerned bureau of UGC will sanction only project wise funds and not lump sum and will release monthly/quarterly project-wise funds depending upon the utilization to avoid parking of funds as per the instructions of Finance Ministry. Diversion of funds from one project to another will be done only with the permission of UGC's Standing Committee.
