4.4.2 Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.:

There is a detailed guideline to avail all kind of facilities available at Central University of Gujarat, which may be illustrated as follows:

1. For utilizing all kind of physical facilities like seminar / conference hall, University vehicle, University bus, a centralized system is in operation, which ensures that every School/Centre gets those facilities as and when required to them.
2. Every science/ social science School/Centre has its own research laboratories which are being used for the research purposes under the supervision of concerned Deans/Chairpersons.
3. Library services are available to the students and staff from 9 AM to 12 PM along with the facility of access of e-resources from the remote places. The Library Advisory Committee monitors the purchase and subscription of printed books, e-books, journals, encyclopedia and other e-resources.
4. The University runs in transit campus hence do not have its own sports complex except certain indoor games and gymnasium. However, to provide the facility of sports to the students University has Tie Up with Sports Authority of India (SAI), Gandhinagar. The SAI provides all kinds of outdoors games facilities to our students.
5. Every School/Centre has been allotted a classroom for their routine classes. A common timetable has also been prepared which facilitate the use of the classrooms of other Schools/Centres whenever required to give optimum use of the existing classroom facility.
6. In Central University of Gujarat, a Virtual Learning Resource Centre comprising 500 computers with browsing facility and a Language Lab has been established for the exclusive use of the students. There is Central ICT Centre and Web Centre which looks after all kind of University level presentation.
7. All the faculty members of the University have been provided with PC system, printer, scanner along with free internet / Wi-Fi facility.
