Circular No. 18/AA-2019

Sub.: Guidelines for Organizing Academic/Cultural Activities by Students- reg
Ref.: Circular No. 17/AA-2019 dated 19.08.2019

With reference to the above circular, it is clarified that the above-mentioned guidelines, as approved by competent authority on 08/05/ 2019, were meant to address a specific context prevailing at that point in time. They were not meant for regulation of students' activities in university as a general rule. Further, though administrative approval is necessary for every activity that students, faculty and employees organize on campus is required, there is no ban or restriction of any kind on the activities that students seek to organize in the university. In view of the fact that the guidelines were context-specific and representations received from the students, these guidelines are kept in abeyance so that it can be revised suitably and reasonably in future.
