F.No. 64/2016-Admn. & Eval.

28.02.2018

NOTICE

Under the 'Digital India' initiative of Government of India, Ministry of Human Resource Development (MHRD) and University Grant Commission (UGC) have jointly launched National Academic Depository (NAD). Under NAD, all the universities are required to upload/lodge the digitally signed academic degrees and awards (Original mark cards and Degree Certificate etc.) of graduated students in the National Academic Depository currently offered by CDSL and NDML. The objective of the NAD is to ensure that the academic degrees and certificates are stored permanently in a secured digital depository and thereby to make them available online to the students and through them to other agencies including academic institutions of higher learning, potential Employers and Verifying Agencies on 24x7 basis.

In this regard the Central University of Gujarat has signed a service level agreement (SLA) with NSDL Data Management Limited (NDML). In order to access digital copy of their degree, the students **from 2017-18 and subsequent batches** are required to open their account with NDML by following the [web link \(http://121.242.223.230/NAD/newStudentRegistrationScreen.html\)](http://121.242.223.230/NAD/newStudentRegistrationScreen.html). Students of earlier batches should also create their account to access their degrees through NAD. More information is available on the web-link given above.

For further queries, please contact admission and evaluation department during working hours.

Thanking you,

Umesh C.S. Yadav
