ABOUT CUG

Established by Parliament of India through the Central Universities Act (2009), Central University of Gujarat (CUG) considers its main objectives to be dissemination and advancement of knowledge creation and sharing. The University is committed to make special provisions for integrated and interdisciplinary courses, to educate and train human resources for the country's development, to initiate appropriate measures for promoting innovation in teaching and learning and to pay special attention to improve the social and economic conditions and welfare of the people, especially pertaining to their intellectual, academic and cultural development. The University was ranked overall 60th in India and 2nd among all the Universities in Gujarat in NIRF 2016 rankings. According to NIRF 2017, the University ranked among the top 150 Universities in the country.

MESSAGE FROM THE VICE CHANCELLOR

Central University of Gujarat (CUG), located in the picturesque city of Gandhinagar of Gujarat State, was established in 2009 by the Parliament of India through the Central Universities Act of 2009. The basic premise with which the institution functions is that of building a platform enriched with learning and innovation, keeping in mind the nation's development, as a whole. The University strives to provide a conducive environment where scholastic and industrial abilities can interface, amicably.

In view of the institution's vision of creating a centre of excellence driven towards social commitment and backed by human ethos and values, the Centre for Studies in Social Management (CSSM) was initiated in 2010-11. The Centre offers an Integrated / Dual Degree (B.A (Hon) Social Management) - (M.A Social Management) and Masters in Social Work programmes, that are one of the most demanding programmes presently at university, that helps the students gain a multidisciplinary perspective to matters of social importance and in line with the approaches to our National Education Policy-2020. These courses are designed to enable the students to help the society in enhancing their capacity and efficacy in finding lasting solutions to their problems and assist in the fulfilment of diversified needs.

A critical time like the COVID-19 pandemic, that shuddered the entire globe, did not stop our learners from venturing out on the field and focusing on the much-felt needs of the community at stake. The theoretical understanding alongside the hands-on field experience, have embodied the students with professional integrity, competency and sheer compassion, for all. This in turn, also instilled in them skills revolving around critical thinking, analytical reasoning, decision-making and moreover, sensitizing them about the untapped population and giving a voice to the voiceless.

I therefore, take this opportunity to extend a heartfelt invitation to all the concerned organisations to visit our campus and explore placement opportunities with our students graduating in the year 2022. I can assure you that our students will prove to be valuable assets for your respective firms and continue the tradition of creating positive transformations in the society, with utmost sincerity and commitment.

I also take this opportunity to congratulate all the graduating students as well as the faculty and coordinator of the Centre for Studies in Social Management in timely bringing out the placement brochure.

With good wishes,
Rama Shankar Dubey
Vice-Chancellor, Central University of Gujarat, Gandhinagar.

Prof. RAMA SHANKER DUBEY
HON'BLE VICE - CHANCELLOR

MESSAGE FROM THE DEAN, SSS

Nearly eleven years ago, the Centre for Studies in Social Management (CSSM) under the School of Social Sciences was established as a unit of inter-disciplinary education and practice to answer the urgent need of skilled manpower and professionals for social institutions and sectors. The Centre established itself as a pioneer in learning of social management based on multi-disciplinary approach, fieldwork and internship-driven innovative curriculum, and interactive learning environment involving expert faculty members and a socially diverse population of students. In its growth path, the Centre started with PG in Social Management (5 years Integrated) during the academic year 2010-11, then offered Ph. D. in Social Management during 2017-18 and presently hosting M. A. in Social Work as well. Given the high quality of its programmes, the Centre is preparing students to be the next generation of motivated professionals, leaders, and human resources capable of taking on society's emerging problems.

I extend my best wishes to the outgoing Social Work and Social Management students of the Centre. As our students are among the best in country and possessed the required professional expertise, knowledge and skills, I can proudly say that they will be an asset to your esteemed organization.

I congratulate the Centre for bringing out its placement brochure.

Prof. Jaya Prakash Pradhan
The Dean, School of Social Sciences, CUG.

Prof. JAYA PRAKASH PRADHAN
DEAN, SSS

MESSAGE FROM THE COORDINATOR, CSSM

Dear Recruiters,

Heartiest greetings from Centre for studies in Social Management,
Central University of Gujarat, Gandhinagar!

The Centre for Studies in Social Management (CSSM) of our university is curated such that it integrates disciplines of Social Work, Management and Public Policy, known to be deeply embedded in the roots of Social Sciences, in order to enable the students deal with complex developmental problems, more effectively. The needs of the society undergo constant change; with that thought in mind, the curriculum of the courses offered in this Centre are tailor made and modified regularly in line with the trends prevailing in the immediate community. CSSM is one of the first centre of our university, to implement the Learning Outcome Based Curriculum Framework (LOCF), that has ability enhancement courses, skill enhancement courses etc. We equip our students with both sound academic backing as well as concrete practical experience, making them highly competent and in tune with the hard-hitting realities of the field, through concurrent field work (on two/three days in a week), block placement, rural camp, study tour etc. Furthermore, our students and faculty members hail from diverse backgrounds and regions of the country, enriching the process of learning, a notch higher.

I also take this opportunity to thank our Hon'ble Vice Chancellor, Professor Rama Shanker Dubey, Professor Jaya Prakash Pradhan, Dean, SSS, the faculty members who had been engaging with both the social management programmes and social work programme, Professor Sarita Agrawal, Professor Bhawana Pathak, Dr. Litty Denis, Dr. Sudeep Basu, Dr. Roja Lakshmi, Dr. Parvathi K Iyer, Dr. Kunal Sinha, Dr. Shiju Sam Varughese, Dr. Hemant Kumar, Dr. Zakiya Firdaus, Dr. Beryl Anand, Dr. Dhananjay Rai, Dr. Jagannatham Begari, Smruti Ranjan Dhal, Dr. Priya Ranjan Kumar, Dr. Sarla Dasari, Dr. Tulika Tripathi, Dr. Kshamanidhi Adabar.

It will be my absolute honour to host you on campus and take this chance to invite you for placement opportunities for our students, who are committed to be the next change agents for our nation, through the medium of your organization.

Best Wishes,

Dr. Sony Kunjappan, Chairman, Placement Cell, CSSM &
Coordinator, Centre for Studies in Social Management

Dr. SONY KUNJAPPAN
COORDINATOR, CSSM

ABOUT SSS

The courses offered by the School of Social Sciences(SSS) aim at imparting and generating knowledge on emerging issues and problems of contemporary society, economy and polity.

The course structure is choice based, flexible and is interdisciplinary. The pedagogy and didactics are interactive and based on field learning. The academic format places great emphasis on student initiative. The evaluation is continuous and grade based. Assignments, tutorials, seminars, projects carry equal weight as semester exams.

At the end of the course, a student would be equipped with analytical skills, social science theoretical knowledge based on empirical and field-based learning. Thus a student with this kind of learning can look forward to careers in teaching, management, research, policy making, development sector, media and administration.

Relevant Curriculum Structure

The curriculum designed for the courses are not only well-structured but also consist of a variety of ability and skill-enhanced courses, curated to equip the learners with theoretical knowledge as well enable them to be able to put it to best use. Keeping the Learning Outcomes Based Curriculum Framework (LOCF) in mind, the students are provided the opportunity to explore themselves, develop relevant skills, hone their abilities and instil values central to the core of the social work profession.

In Sync with Market Requirements

The course structure followed by the Centre paves the way for the learners to apply their understanding, on ground and with the clientele in question. The students get a chance to be proficient in multiple areas like research and analysis, multi-faceted components of social work including casework, group work and community organization, public policy and social administration, as well as other interrelated competencies namely teamwork, leadership and professional integrity. With exposure across in both Governmental bodies and Non-Governmental organisations, the students get better clarity about work ethic, atmosphere, job profile and a deeper insight into what best interests them.

Sensitivity to Diversity and Inclusion

The students in this Centre hail from varied parts of the country and bring with them a sense of understanding from a wide continuum of disciplines and educational backgrounds. This in turn, enables them to reason, view the ground realities from a holistic lens and are trained to work in a multicultural environment. The significant contribution made by our alumni in the development sector across the nation, is a testimony to the reputation and credibility earned by the University.
