**Subject: Information regarding Curriculum and Credit Framework for Undergraduate Programmes.**

*Respected Madam/Sir,*

As you are aware, the University Grants Commission has brought out the Curriculum and Credit Framework for Undergraduate Programmes for implementation in Higher Educational Institutions. The framework enables Higher Educational Institutions to offer four-year undergraduate programmes, which may be considered as a preferred option since it would provide an opportunity to experience the full range of holistic and multidisciplinary education, in addition to the focus on the chosen major and minors as per the choices of the students.

I hope your institution has taken the necessary measure to adopt this Curriculum and Credit Framework for Undergraduate Programmes. In this regard, you are kindly requested to furnish the information using Google Forms on the following link: <https://forms.gle/Duk9AqavPM17k9C8A>. It is requested that this information may kindly be furnished by **10.04.2023**.
