About University

The Central University of Gujarat was established through an Act of Parliament in the year 2009. It has jurisdiction over the entire state of Gujarat. It renders human services to a cause of higher education by catering to the academic, intellectual and professional needs of youths in the state of Gujarat and across the country. To this extent, it contributes its strength in generating and providing requisite human resources that India needs to emerge as a vibrant knowledge society.

Motto:

The motto of the University is to provide a global platform for knowledge and employability to students of the University through society and industry interface.

Mission:

The mission of the CUG is to provide access to quality education and create opportunities to encourage students to effectively engage with emerging innovations and technological challenges, international competitiveness and leadership in thought as well as in action. The CUG is also conscious of importance of developing entrepreneurial and scholastic abilities for creation of knowledge, wealth and prosperity for the country as well as peace and happiness for the human race.

Vision:

The vision of the CUG is to establish itself as a centre of excellence with social commitment by integrating modern, scientific and technological knowledge and skills with the basic human ethos and values. The university shall set forth a model in teaching, research and personality development and create skilled human resource with sense of responsiveness towards the society, the country and the world at large.

Objectives:

- Dissemination and advancement of knowledge by providing instructional and research facilities in various branches of learning.
- Making special provisions for integrated courses in humanities, social sciences, science and technology in educational programmes.

- Taking appropriate measures for promoting innovations in teaching-learning methods and interdisciplinary training and research.
- Educating and training human resource for the country's development.
- Establishing academic-industries partnership to promote advancements in science and technology.
- Paying special attention to improvement of social and economic conditions and welfare of the people of India, especially pertaining to their intellectual, academic and cultural development.
- Ensuring improvement in socio-economic conditions of the people, through intellectual, academic and cultural development.

About School of Education (SE)

The School of Education (SE) at the Central University of Gujarat will form the main backbone of integrated development of teachers. It is proposed that school of education will have collaboration with national and international partners. SE will offer academic programmes in education as an area of knowledge and field of professional practice. The SE will prepare scholarly teachers to be engaged in educational discourses and knowledge generation. It will also provide avenues for professional development of teachers, teacher educators and other educational functionaries. The SE will provide programs of excellence in the pre-service such as Master of Education (M.Ed.) program, M.Phil. and Ph.D. in Education, it would prepare reflective teacher educators for performing various roles in schools, nonprofit organisations, government agencies and in-service education of prospective and practising teachers through teaching and learning, research, extension, consultancy, publication and community services. The University by setting up a School of Education proposes to strengthen the holistic vision for teacher education, keeping it intimately connected with school education. This would in turn support and enable professional development, research collaboration, School interventions, curricular resource development and state and national academic planning. The SE by starting M.Ed. program and at the same time takes a leading role in

professional development of teachers and teacher educators.

The university has taken two centres under School of Education (SE)

1. **Centre for Policy Research in Education (CPRE)**
2. **Centre for Professional Development of Teacher Educators (CPDTE)**
