World Children's Day 2021

UNICEF India calls for Safe Reopening of Schools

The theme for this year's WCD is to help children to recover from interruptions and learning losses experienced through the pandemic in the last two years.

The COVID-19 pandemic has shown how inequality affects the rights of every child.

From climate change, education and mental health, to ending racism and discrimination, children and young people are raising their voices on the issues that matter to their generation and calling for adults to create a better future.

This World Children's Day, it's more important than ever that the world listens to their ideas and demands.
