## Vice Chancellor's Message

I am very pleased to forward the newsletter of the Central University of Gujarat (CUG) 'The Sabarmati' to the academic fraternity and students. In the post-Covid scenario Central University of Gujarat has been striving wholeheartedly to reaffirm its vision and mission in the field of knowledge dissemination and knowledge creation. During the first half of the year, CUG has organised many seminars and conferences for the dissemination of knowledge. Through various MoUs, it has initiated many important initiatives and Dr. Ambedkar Centre for Excellence (DACE) is prominent among them. Two new courses, M.A. in Hindu Studies and M.A. in Comparative Literature have been initiated during this academic year. Besides, as a part of NEP-2020 initiatives, two papers for holistic development of students for all UG programme and two papers for all PG programs have been initiated. Similarly, multi disciplinary courses have also been designed by various schools and centres are being offered. The faculty and students of CUG have been conferred with many academic awards and recognition in this period. CUG has re-affirmed the concept of 'Vasudeiva Kutumbakam' by organising various cultural, sports and outreach activities which have rejuvenated the young minds for their holistic development. We are fortunate that the 'Bhumipujan' ceremony of the new campus of the Central University of Gujarat at Vadodara was organised on 18 June 2022 where Prime Minister of India Shri Narendra Modi laid down the foundation stone. This has initiated a new chapter in the history of higher education in Gujarat. As a patron of CUG, I appreciate the efforts put forth by both teaching and non-teaching staff, and students to bring back the academic vibrancy of CUG in this post-pandemic period. I am very firm that with the cooperation of all the stakeholders, the Central University of Gujarat will emerge as one of the best educational institutions in India.
